**1 Qualified installer’s invoice is not required if product does not require professional installation in order to receive extended warranty.

2 This is a TradeGrade product. This extended warranty is only applicable if the product is purchased from a retail store (brick and mortar), pool builder or pool service company. If this product is purchased online (via internet) it will only receive a sixty (60) day limited warranty.

3 Automatic Cleaners sold in the USA from dealers outside the USA do not qualify for any USA programs including trade-in or rebate programs.

4 Labor costs are NOT warranted outside of the United States and Canada.

5 Only internal components, fittings, valves and controls manufactured by Pentair are fully warranted.
PENTAIR WARRANTY TERMS AND CONDITIONS

TO OBTAIN AN EXTENDED WARRANTY:
To receive a product extended warranty (longer than 60 days from the original date of installation) the customer must complete the three steps below within 60 days of installation:

1. Register their product.  
2. Provide a copy of the sales receipt.  
3. Provide the qualified installer’s invoice (see the note below)

Note: Certain products do not require qualified installation but still require product registration and a copy of the sales receipt to receive the extended warranty. Refer to the Extended Warranty Coverage for Products table, on the other side of this card, to determine whether your specific product(s) requires qualified installation.

TO OBTAIN AN EXTENDED WARRANTY FOR A PENTAIR TRADEGRADE PRODUCT:
Certain Pentair products are designated as TradeGrade products, and as a result must be purchased from a retail store (brick and mortar), pool builder or pool service company in order to qualify for an extended warranty. If a TradeGrade product is purchased online (via internet) the product will only qualify for a sixty (60) day limited warranty. The customer must still complete the three steps explained above to receive an extended warranty.

Refer to the Extended Warranty Coverage for Products table, on the other side of this card, to determine whether your specific product(s) is designated as a TradeGrade product(s). TradeGrade products are identified by footnote “2” in the table.

Three (3) Year Warranty on Select Bundled Products (Applicable to Products Used in Residential Applications ONLY): This applies to purchases and qualified installations of a minimum of a pump and filter, and one or more of the following: heater, heat pump, control system, automatic cleaner, lighting, salt chlorine generator or UV sterilizer. Bundled products must be purchased on the same invoice and installed at the same time. Pentair warrants these products to be free from defects in material and/or workmanship for a period of three (3) years from the original date of installation. Products must be registered within sixty (60) days of installation at www.pentairpool.com/support/registrationandwarranty. If any product within a bundle is ineligible for the bundled warranty coverage, or does not meet the applicable requirements covered above, then all products within the same bundle will be disqualified from receiving the three (3) year bundled warranty coverage, and all products will only receive their individual extended or limited warranties.

- All extended warranties are applicable to the original owner only, beginning on the date of installation and are not enforceable by any third party.
- Warranties by others: Some Pentair products incorporate components manufactured by other manufacturers. Some of these manufacturers provide warranties in addition to the warranty provided by Pentair herein. In all such cases, a copy of the third party manufacturer’s warranty will be provided with the product. To the extent protection provided under any such third party warranty exceeds the Limited Warranty provided herein, the Customer will have to contact the specific manufacturer for the additional protection.

Pentair Warranty Obligations
Should a defect in workmanship and/or material in any item covered by this warranty become evident during the term of the warranty, then upon the customer following the procedures set forth below, Pentair will, at its sole option, repair or replace such product or part of equal value, in lieu of repair. Pentair is not, however, responsible under this warranty for any cost of shipping or transportation of the product or parts thereof to or from the Technical Service Department. Also, Pentair is not liable for any loss of time, inconvenience, incidental expenses such as telephone calls, labor or material charges incurred in connection with the removal or replacement of the equipment, or any other incidental or consequential damages.

The above mentioned warranties are void if the product is repaired or altered in any way by any persons, agents or representatives other than those authorized by Pentair. Expendables including, but not limited to refrigerant, recovery of refrigerant, or transportation for components are not covered under this limited warranty. Reasonable vehicle trip and evaluation charges may be assessed by a Pentair service representative.

PLEASE NOTE: Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

No Other Warranties
To the maximum extent permitted by applicable law, Pentair disclaims all other warranties, either expressed or implied, including, but not limited to, implied warranties of merchantability and fitness for a particular purpose, with regard to the product(s), part(s) and/or any accompanying written materials.

Procedure for Obtaining Performance
In order to obtain the benefits of this warranty, the consumer who made the original retail purchase must contact the Pentair Technical Service Department as soon as possible after discovery of the product related issue, but in no event later than the expiration date of the respective warranty periods provided herein. Upon receipt of this communication, Pentair will promptly notify the customer of the address to which the product may be shipped. The customer shall then ship the product, freight prepaid, together with a “RETURN GOODS AUTHORIZATION” form obtained from Technical Service and a brief description of the problems encountered. Unauthorized returns will not be accepted. Freight must be prepaid by customer.

Warranties or Representations by Others
No third party has any authority to make any warranties or representation concerning Pentair or its products. Accordingly, Pentair is not responsible for any such warranties or representations.

Other Rights
This warranty gives you specific legal rights and you may also have other rights, which vary from state to state.

 Sole Warranty
Supersedes all previous warranty publications.
