BRILLIANT BY NIGHT.

**A stunning sculpture under the sun.  
A flowing bowl of fire under the stars.**

Sculpted from a durable, UV-resistant material, MagicBowl has a shape and metallic composite finish to suit your tastes and accent your poolscape with style. Glowing and flickering lights create a dramatic flame effect that brings the fountain to life.

**Safe and efficient**

LED lights dance and flicker as if illuminated by fire or molten lava.

**The Sparkling, Multi-Colored Elegance of Tempered Glass.**

Visually stunning, new tempered glass construction glows incredibly bright at night in colors that can be synchronized with all the light show colors of IntelliBrite® LED 5G Pool and Spa Lights or the warm flickering glow of the FireFX effect. By day, it adds semi-transparent iridescence that rivals premium solid metal designs.

FireFX LED Lights are not included and are sold separately.
