pentair.com/poolbuilder

Optimize operations. Improve efficiency. Build your bottom line.

Pentair Pool Builder is the ultimate integrated business management platform designed especially for pool builders. Web and mobile apps sync to provide you convenient, 360 access across all your devices.

Only for Pentair builders, there are special introductory trial offers and pricing plans to meet your needs.

ESTIMATING TOOL

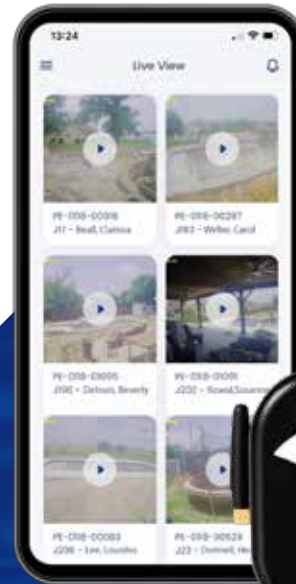

Generate shareable quotes and real-time budgets.

"It gives the designers the ability to see what's going on in real time."

- Susan Rodriguez, Office Manager, Cypress Custom Pools

"It's a very efficient app, and it has helped streamline the building process. For everybody."

- Tommie Fleeman, Project Manager, Backyard Oasis

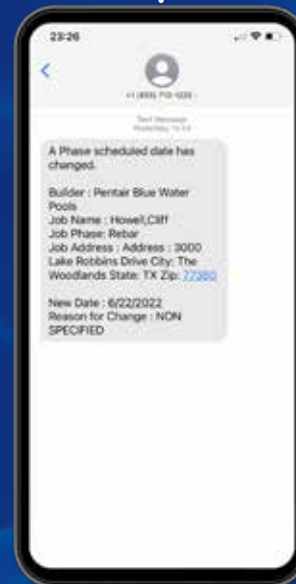

REMOTE MONITORING

Stay on top of jobs with less time on-site.

Live View Camera

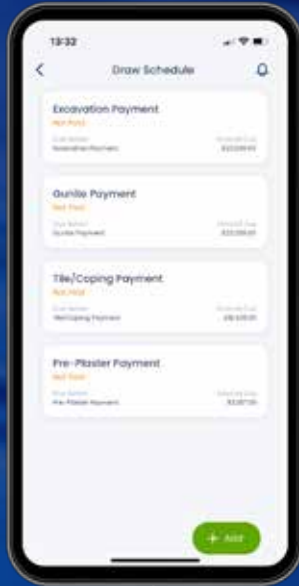

AUTOMATED COMMUNICATION

Notify team when phases are scheduled, started or completed for improved communication.

MANAGE JOBS

Schedule, reschedule and track all your jobs.

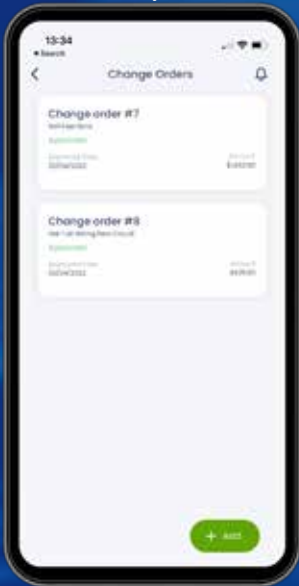

DRAW SCHEDULES

Access invoice status efficiently and remotely with Quickbooks® integration.

PIPELINE MANAGEMENT

Track sales leads by area or associate to close more sales.

CHANGE ORDERS

Avoid delays with real-time approvals.

BUILD PLAN

Manage expectations, improve team communications.

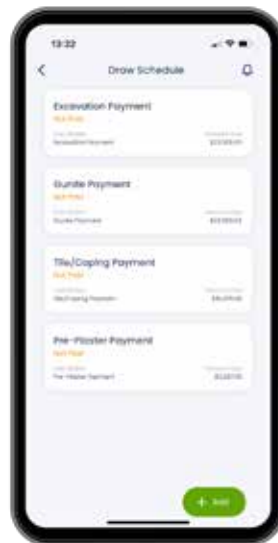

Elevate your business with the Pool Concierge™ app.

Our customizable app helps you take your business to the next level. Brand the platform with your logo and preferences you choose, then invite customers and prospects to download your company's custom app. Created exclusively for Pentair Pool Builder users.

ENGAGEMENT

Connect with customers and prospects during planning. Share inspiration galleries, designs, estimates and more.

PRODUCTION

Build confidence throughout the build phase with 1:1 messaging, schedule sharing and real-time remote monitoring.
