## 3 Create your Account Profile

When logging into Pentair Home for the first time:

1. The *Create Profile* screen will display.
2. Enter your name, phone number and pool location.
3. Press the STANDARD(1) or METRIC (2) tab to choose which units your app will display.
4. Press SAVE (3) to save profile entries.
5. The Account Dashboard screen will display.

   Continue to *Pairing ChemCheck to Your Account*.

## 4 Pairing ChemCheck to Your Account

1. If your ChemCheck is battery-powered, ensure the battery is fully charged.
2. At the Account Dashboard, press ADD A DEVICE (1).
3. The Add a Device screen will display. Select CHEMCHECK (2).
4. The Installation screen will display.

   **At ChemCheck flow cell**: Remove the top cover from the flow cell. Press and hold the blue button for 3 seconds. The flow cell LED will pulse yellow and can now be paired to your smart device.

   **From the Installation screen**: Press CONTINUE.
5. The Bluetooth Pairing screen will display. Ensure *Bluetooth®* wireless technology is enabled on your smart device and press CONTINUE (3).
6. The Select Your ChemCheck screen will display. Select the ChemCheck you wish to pair.
7. If pairing is successful the Bluetooth Pairing screen will display. Press CONTINUE.
8. The Connect Your Device to WiFi screen will display. Select your WiFi router and enter the password. Press CONTINUE.
9. The Device Address screen will display. Select your address from the Device Address dropdown menu and press CONTINUE (4).
10. Installation Completed will display. Press CONTINUE and refer to User's Guide for calibration instructions.
