

## AUTOMATION TRANSITION INFORMATION

The EasyTouch® and IntelliTouch® Pool Control Systems will be discontinued on the following dates:

- **July 31, 2023** for all IntelliTouch Systems
- **September 29, 2023** for all EasyTouch Systems

Pentair recommends its flagship automation product, IntelliCenter® Control System, as a replacement.

Products moved to obsolete status will continue to be supported, and Pentair will replace legacy systems under warranty with comparable equipment while parts are available. If replacement parts needed to fulfill warranty claims are unavailable for existing systems, Pentair will provide the [IntelliCenter Upgrade Kit for EasyTouch, EasyTouch Lite, and IntelliTouch.](#)

<b>522046</b>	IntelliTouch/EasyTouch to Next Gen Upgrade Kit - i10PS, for LC/PC		
<b>523218</b>	IntelliTouch/EasyTouch to Next Gen Upgrade Kit - i10D, for LC/PC (was PN 52308)		
<b>523530</b>	IntelliTouch/EasyTouch to Next Gen Upgrade Kit - i10X, for LC/PC (was PN 52308)		
<b>522047</b>	IntelliTouch/EasyTouch to Next Gen Upgrade Kit - i10P, for CLC/CPC	Upgrades for Common Load Center and Power Center built in 2012 or later	Outdoor control panel: i10P/i10PS/i10D personality board, shared equipment (board depends on P/N ordered); 4-amp and 5-amp circuit breakers; system transformer; wireless antenna kit
<b>522048</b>	IntelliTouch/EasyTouch to Next Gen Upgrade Kit - i10PS, for CLC/CPC		
<b>522049</b>	IntelliTouch/EasyTouch to Next Gen Upgrade Kit - i10D, for CLC/CPC		
<b>523529</b>	IntelliTouch/EasyTouch to Next Gen Upgrade Kit CLC/CPC		

Compool® upgrade kits to EasyTouch systems will also be discontinued and moved to obsolete status. The affected part numbers are listed in the table below. There are no direct replacement parts for the Compool upgrade kits. Customers that want to upgrade Compool systems should replace them with IntelliCenter systems. If a Compool system upgrade is needed, customers should contact their distributor or their local Pentair Sales Representative or Specialist for further assistance.

## **INTELLITOUCH**

The IntelliTouch ordering process allows you to build the system by selecting a Load Center or Power Center (with or without a transformer for a salt chlorinator) and the desired personality kit. The ordering process is different for IntelliCenter, so there are no direct comparisons.

Additionally, there are bundled options with power centers (IntelliCenter Lite systems) and load centers (IntelliCenter systems) with remote access built in. IntelliCenter system options are:

<b>PART NUMBER</b>	<b>INTELLICENTER DESCRIPTION</b>	<b>PRODUCT INFORMATION</b>
<b>523448</b>	IntelliCenter System (Load Center with i5P Personality Kit)	
<b>521904</b>	IntelliCenter System (Load Center with i8PS Personality Kit)	Includes two IntelliValve actuators
