POOL AUTOMATION ALLOWS YOU TO RELAX AND ENJOY YOUR POOL.

The ideal upgrade for your pool—and for your to-do list.

Smart doorbells. Smart alarm systems. Why not add “smart pool” to your list of convenient, connected experiences? The IntelliConnect® Control and Monitoring System is the perfect tool for pool owners looking to reduce the time-hogging bother of manually managing their pool. How? By connecting your pool pad equipment right to your smart device via the Pentair Home app.

Schedule connected pumps¹

Change water temperature

Activate water features

Adjust sanitizer levels³

Set the mood with lighting²

¹Includes single, two-speed and variable speed and flow pumps, including other brand models.

²Control light shows using Pentair or other brand light products.

³Pentair IntelliChlor® and iChlor®.

POOL'S READY WHEN YOU ARE

Schedule your pool heater settings to adjust the water temperature well before jumping in.

REGULATE ON DEMAND

IntelliConnect provides real-time information on the status of the filtration system and other pool equipment, so you can kick it into action when needed: like extra filtration after a storm or cleaning up after a pool party.

CONTROL AND MONITOR UP TO FIVE POOL DEVICES

IntelliConnect pairs well with pool equipment such as pumps, sanitizers, heaters and lighting.

EFFORTLESS SCHEDULING

Schedule automatic operation of connected equipment and make changes remotely to suit your schedule.

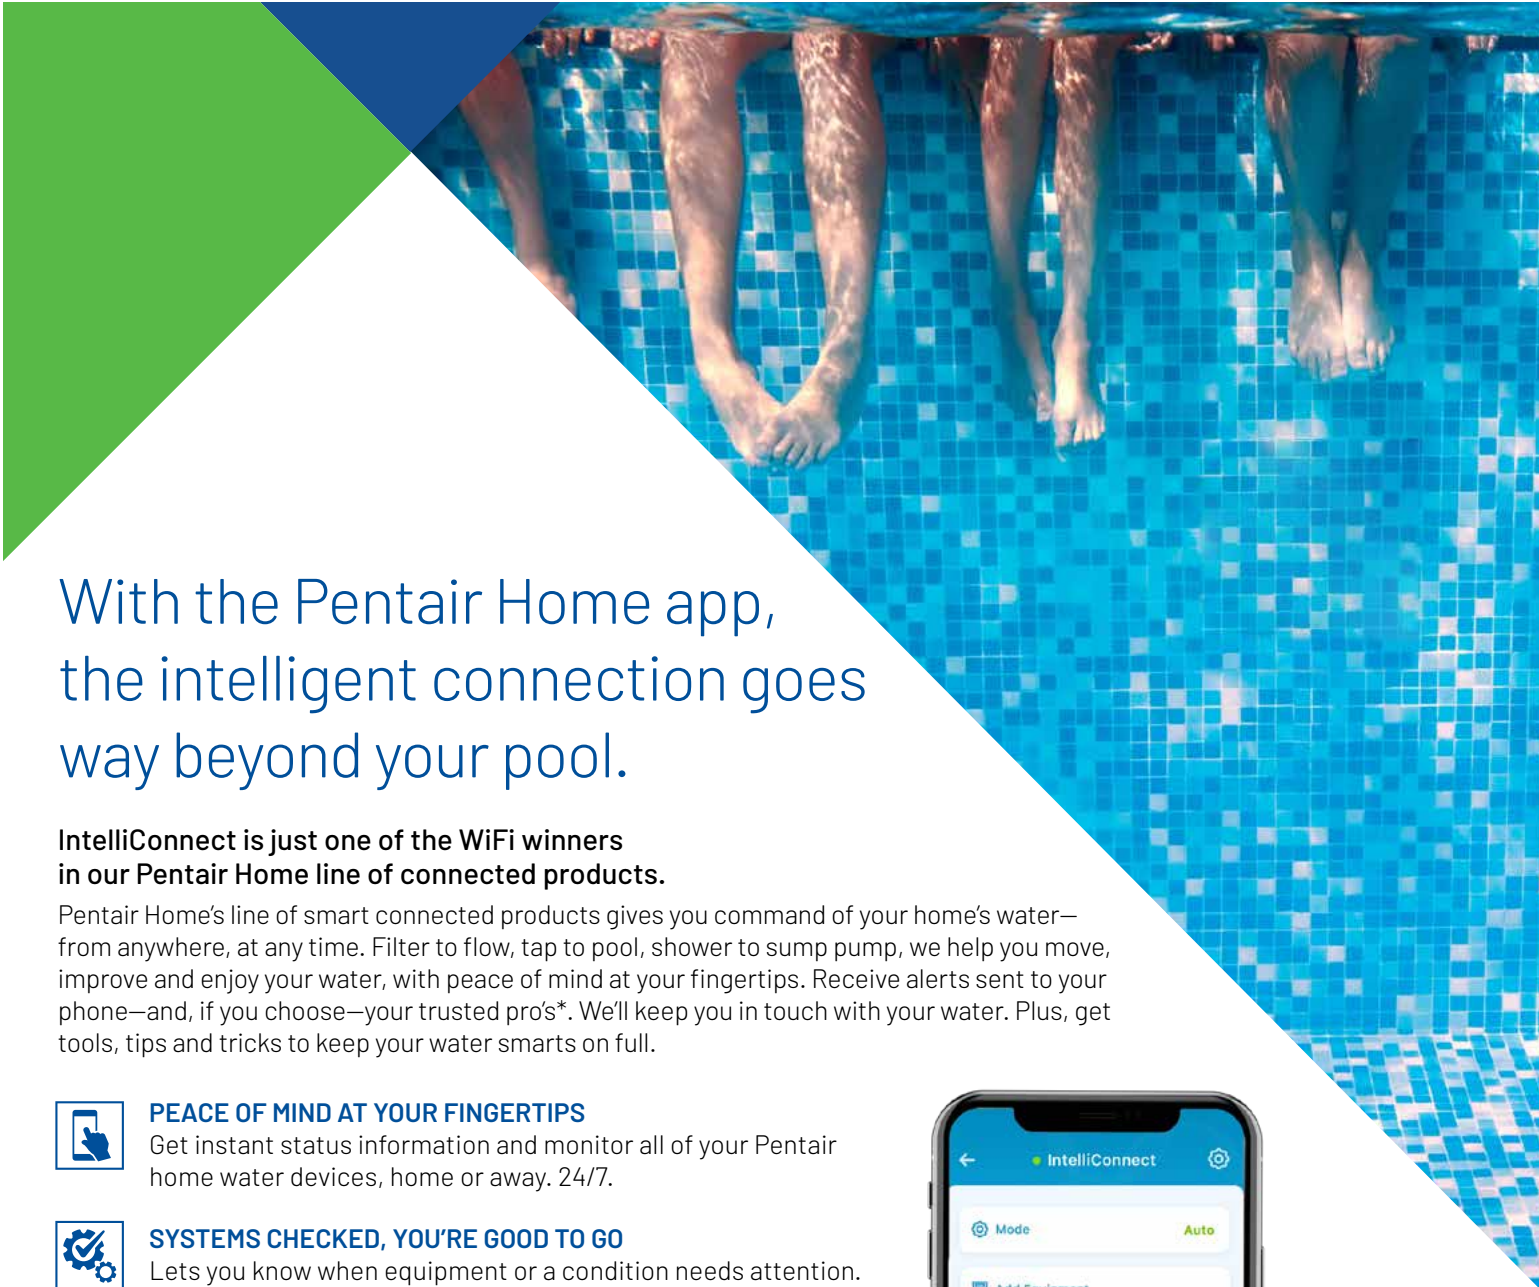

POOL EQUIPMENT OPERATION HARMONY

IntelliConnect helps pool equipment work together using built-in logic intelligence so the pool is running efficiently and effectively.

NEED TO DO MORE?

IntelliCenter® Control System is another option that is our highest-capacity system to perform a wide range of devices and platforms.

With the Pentair Home app, the intelligent connection goes way beyond your pool.

IntelliConnect is just one of the WiFi winners in our Pentair Home line of connected products.

Pentair Home's line of smart connected products gives you command of your home's water—from anywhere, at any time. Filter to flow, tap to pool, shower to sump pump, we help you move, improve and enjoy your water, with peace of mind at your fingertips.
