

# QUICKTOUCH® II

## WIRELESS REMOTE CONTROL FOR CONTROL SYSTEMS

Push-button control from your home,  
patio, poolside or spa.

If you own a control system from Pentair, you are already enjoying the ease of push-button pool and spa automation. But with the QuickTouch II remote, you can add even greater convenience and portability to your automated control system. At the touch of a button on your hand-held remote, you can prepare your pool or spa for relaxation from the comfort of your poolside lounge—or almost anywhere up to 250 feet from your pool equipment area.

## QUICKTOUCH® II WIRELESS REMOTE CONTROL FOR CONTROL SYSTEMS

The simplest, most convenient automation control.

Scheduling and controlling the operation of pool and spa equipment and backyard accessories can be truly automatic. When paired with innovative Pentair control systems, the QuickTouch II remote takes your automatic control system to the next level of convenience.

### KEY FEATURES

#### System availability

EasyTouch®, IntelliTouch® and SunTouch® Control Systems are available for both pool and pool/spa combinations with shared filtration systems.

#### Instant activation

Instantly activates water features and functions.

#### Separate on/off buttons

Separate on/off buttons control each function for optimum simplicity.

#### Four function control

Controls up to four functions, including spa filtration/heating, spa lights, spa jets, pool lights, water features and landscape lights.

#### Less trips to pad

Enjoy your pool or spa without repeated trips to your equipment pad.

#### Less hassles

No more memorizing operating sequences, opening and closing valves, resetting time clocks or monitoring thermostats.

*The QuickTouch II remote is used with any EasyTouch, IntelliTouch or SunTouch system.*
