

WHISPERFLOXF[®]

HIGH PERFORMANCE PUMP

High capacity, low maintenance and maximum performance.

HIGH PERFORMANCE, HIGH-CAPACITY.

The WhisperFloXF® High Performance Pump brings best-in-class performance, near-silent operation and ultra-reliability to high-capacity pool pumps.

Seals made of oxidation-resistant EPDM rubber for longer-lasting, leak-resistant operation.

TEFC/Super-Duty motor options provide superior performance and longevity.

DEMAND MORE. INSIST ON THE WHISPERFLOXF PUMP.

THE POWER TO DO MORE

The WhisperFloXF pump is a hydraulically advanced, high-capacity pump with outstanding performance from both a maximum-flow and mean-slow perspective, it's perfectly suited for residential pools with water features such as slides and waterfalls, as well as commercial pools.

Includes union connectors—connects directly to 2.5" or 3" plumbing with ease.

Extra-large basket needs less emptying; smooth surface allows easy debris removal.

Proprietary hydraulic isolator satisfies the competing priorities of smooth priming and optimal operation.

Union connectors

Connect directly to 2.5" or 3" plumbing.

Drop-in replacement

Drop-in replacement for all WhisperFlo® Pump models. Simple replacement for Challenger® High Pressure and High Flow Pumps.*

See-through lid

Makes basket inspection fast and easy.

Cam and Ramp™ Lid

User friendly lid removes easily and locks in place quickly with a quarter-turn.

External port threads and tool-free unions

Requires only hand tightening for a perfect fit.

Easy-carry handle

A back saver at the equipment pad.

*Riser base required for Challenger pump replacements—Part # 400012 available separately.

WHISPERFLOXF[®]

HIGH PERFORMANCE PUMP

KEY FEATURES
