

SANDSHARK™

INGROUND POOL CLEANER

Devours dirt with efficient,
two-way cleaning.

The SandShark cleaner cleans two ways. First, it scrubs your pool walls and floor, dislodging stubborn dirt particles with its rows of little rubber scrubbers. Next, it instantly vacuums away the debris and sends it to your pool's filtration system...where it belongs.

SANDSHARK™ INGROUND POOL CLEANER

Set it and forget it.

Remove the Kreepy Krauly SandShark cleaner from the box, attach the hose, place it in the water and watch it attack dirt as it prowls around the bottom and sides of your pool.

KEY FEATURES:

SmartTrac™ Steering

SmartTrac Programmed Steering System assures fast, thorough cleaning coverage without the missed spots common with other cleaners.

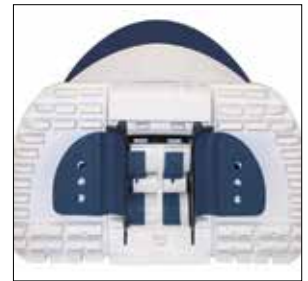

Two-way cleaning action

Superior footpad design scrubs and dislodges debris while its powerful vacuum action whisks it away.

Compact and attractive

The compact size and attractive two-tone colors complement today's pool designs.

Flexible rubber teeth

The SandShark cleaner's rows of flexible rubber scrubbing teeth dislodge stubborn dirt and vacuum it away.

OTHER GREAT FEATURES INCLUDE:

Wide 12" body

Wide body design cuts a broad 12" path for faster cleaning coverage. It devours everything from dirt, sand, pollen, leaves, twigs and insects, while helping to scrub away algae, loose scale and soft calcium deposits.

Adjustable regulator valve

Adjustable regulator valve and free-flow gauge let you set just the right cleaning speed to assure the most effective cleaning possible.

No assembly required

No assembly required. Just attach to hose and go. No annoying wheels, diaphragms or bags to empty and replace.

Warranty

Two-year limited warranty. See warranty for details.
