KRUISER™ INGROUND POOL CLEANER

Elegantly simple and highly reliable.

The Kreepy Krauly Cruiser cleaner is the ultimate in carefree operation. It comes fully assembled. Just add the seal and connect the hoses.

KEY FEATURES:

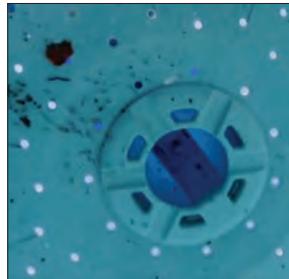

Complete uninterrupted cleaning

Built-in bumper assures free movement.

Stays the course

Unique "curved fingers" design creates a superior seal to capture debris.

Captures large and small debris

Superior vacuum power and extra-wide mouth designs.

Long, dependable life

All of the cleaner's parts are UV stable and chemical resistant. With only one moving part, there are no wheels or gears to jam or diaphragms to replace. The result is years of dependable service.

OTHER GREAT FEATURES INCLUDE:

Quick, easy installation

The cleaner connects to your skimmer or vacuum-line fitting in just minutes without the use of tools.

Works with existing filtration system

Dirt and debris go right to your pool's filtration equipment. You don't have to empty or replace compartments or bags, and there's no need for an expensive booster pump to buy and operate.
