

QUICKNICHE™

VINYL POOL LIGHTING NICHE

Easy to install and totally dependable.

The QuickNiche vinyl liner niche is a product that really lives up to its name. This simple yet revolutionary back-up design mounts and seals like a vinyl inlet fitting—fast, secure and leak-proof. In fact, the QuickNiche vinyl liner niche is so easy to install that it only takes one person.

QUICKNICHE™ VINYL POOL LIGHTING NICHE

Simple, fast and secure.

Nothing could be simpler. This three-piece design allows for faster and easier installation by one person. Just place the niche in the pool wall, thread the back-up ring into place, attach the sealing ring and installation is complete! The rubber gasket overmolded on the seal ring provides a leak-proof seal.

KEY FEATURES

Faster, easier installation

Simple three-piece design including a screwless back-up ring that threads into the back of niche for faster, easier installation. A combination 3/4" or 1" conduit connection accommodating rear of 45° conduits offers installation flexibility.

Easily accessible

Easily accessible connection for grounding and bonding. Fits a standard niche panel.

Overmolded rubber gasket

Rubber gasket is overmolded on the seal ring for a waterproof seal.

Rugged PVC construction

For enhanced durability.

UL Listed

With Pentair lights only.

Deep screw threads

Deep pilot screw threads for durability.
