Replacement tip for fiberglass poles .................................................Bulk R07023
COMMERICAL VACUUM HEAD

**250**  Swivel Wheel Vacuum Head. 19” body has 1½” swivel hose connection to prevent twisting. 2” hose fits on body. Fully enclosed weights and adjustable polyurethane wheels swivel in any direction .........................Pack 4  R201126

SUPER PROVAC® FLEXIBLE COMMERCIAL VACUUMS

**241**  41” width vacuum features ProVac technology, 22 ball bearing polyurethane adjustable wheels, dual manifold with handle joining assembly. Includes adapters for 1½” or 2” vac hose.........................Pack 1  R201298

PROVAC FLEXIBLE COMMERCIAL VACUUMS

These superior vac heads will clean a pool bottom in up to half the time, even with low flow suction. Superior suction chamber concentrates vacuum velocity from both ends as well front to back. Has metal swivel handle on stainless steel shaft and strategically placed weights for balance and ease of operation. Adjustable wheels increase or decrease vacuum velocity and special flex strips guide debris into exclusive suction chamber. Swivel connection for 1½” vac hose while 2” fits directly on body. Recommended by Service Pros throughout the world.

**214**  14” Width. 8 wheels.................................................................Pack 6  R201276
**222**  22” Width. 12 wheels.................................................................Pack 1  R201286
**229**  29” Width. 16 wheels.................................................................Pack 1  R201296

Each ProVac vacuum is assembled with white “short leg” strips for leaves and large debris. A blue “long leg” strip is included for sand, silt and fine debris. Replacements available in 5’ lengths.

PROVAC II FLEXIBLE COMMERCIAL VACUUMS

Utilizes the Eco Select® Brand which is an environmentally friendly composite weight system. Convertible wheel system locks for straight cleaning patterns or pivots 360° for additional coverage. Superior suction chamber concentrates vacuum velocity for fast, thorough cleaning. Ultra smooth ball bearing wheels allow for effortless movement while the vac head’s flexible body hugs pool contours.

**216**  16” Width.
Convertible wheel system.................................................................Pack 6  200084
