INTELLICHLOR®
SALT CHLORINE GENERATOR
Perfect water without handling chlorine
The IntelliChlor Salt Chlorine Generator uses common table salt to produce all the chlorine your pool needs, right in your pool—safely, effectively and automatically.
• Same sanitation performance as manual chlorine addition without the drawbacks.
• No need to buy, transport and store expensive chlorine compounds.
• No more odor, stinging eyes and irritated skin.

INTELLICHEM®
WATER CHEMISTRY CONTROLLER
Perfectly balanced water with hands-free, automated ease
For the ultimate in pool chemical management, pair the IntelliChlor Salt Chlorine Generator with an IntelliChem Chemical Controller. When combined, these two products deliver the precise amount of chemicals to keep pool water clean, clear, safer and in perfect balance...automatically.
• Automatically achieves precise water balance.
• Prevents excess chemical addition, assuring safer water.
• Minimizes chemical costs.
• Flow sensor ensures chemicals won't feed without system flow.

CRYSTAL-CLEAR, CHEMICALLY BALANCED WATER
with the touch of a finger.
It's easy to pair an IntelliCenter Control System with sanitizing and water chemistry control systems from Pentair. The result is more time enjoying your pool or spa and less time monitoring and maintaining your water chemistry. Let the equipment do the work for you, precisely!

PRECISE, EFFORTLESS AUTOMATIC VALVE SETTING
Every pool/spa combination faced with attached independent IntelliCenter System comes equipped with two IntelliValve Valve Actuators. IntelliValve Actuators offer the best flow control technology available for your backyard paradise. You can set flow for slides, water features and spillways.
Unlike competing valve actuators, setting IntelliValve Actuators doesn’t require trial-and-error disassembly procedures. They’re easy to set from the intuitive, push-button interface on the actuator body.
Precise accessory flow control has never been so simple!
EASY REMOTE CONTROL OR REMOTE ACCESS
The IntelliCenter Control System for Pool and Spa has built-in connectivity for iOS and Android mobile digital devices. It also allows control from an Apple Watch® wrist-wearable device as well as an optional indoor control panel and/or optional wireless poolside remote. Its razor-sharp screen clarity and step-by-step instructions make operation a cinch.

IntelliCenter also has enhanced voice command capabilities through platforms like Amazon Echo®. Paradise in a box has never been more portable.

COLOR TOUCHSCREEN INTERFACE
Scheduling and operation is a breeze with the color touchscreen interface. It displays intuitive instructions in beautifully clear text and rich colors.

BACKYARD CONTROLLED OPTIONS
Optional controllers make operating an IntelliCenter System easy and convenient from your backyard.

• Indoor control panel with color touchscreen
  - Controls all functions of the IntelliCenter Pool and Spa Control System
  - Controls items like spa jets, lights, blower, water features, etc.
  - Available in white, tan and black to match a variety of decors

• IntelliCenter wireless remote with color touchscreen
  - Controls the same features as the indoor control panel via water-resistant wireless remote

• Four-function, spa-side remote
  - Controls any four items like spa jets or lights

• 10-function spa-side remote
  - Controls any 10 items like spa jets, lights, blower, water features, etc.
  - Spa temperature control
  - Controls variable speed and flow pumps

EVERYTHING NEEDED FOR EFFORTLESS POOL AND SPA CONTROL
from up close or around the world.

Wherever you are, the IntelliCenter™ Control System for Pool and Spa makes it easier and more intuitive than ever to control your pool. Use your familiar iOS® or Android® mobile devices from anywhere in the world. IntelliCenter features new color touchscreen interfaces at the equipment pad as well as via an optional indoor control panel and/or optional wireless poolside remote. Its razor-sharp screen clarity and step-by-step instructions make operation a cinch.

IntelliCenter also has enhanced voice command capabilities through platforms like Amazon Echo®. Paradise in a box has never been more portable.

“Alexa, ask my pool to turn on the spa and heat it to 102 degrees.”

DESIGNED TO MAKE SMARTPHONE CONTROL EFFORTLESS, NO MATTER WHERE YOU ARE.
IntelliCenter is designed specifically to take pool owners all the way to effortless operation from across the yard or around the world. Your backyard paradise is never more than a hand’s reach away.

Check status from the other side of the world
When you’re away from home, use your iOS device, Android device or Apple Watch to stay in touch.

Anywhere in your home
Make adjustments from an optional indoor control panel, a convenient wireless remote, your smartphone or simply ask Alexa™ to handle it.

Prep for relaxation from the office
Planning an after-work dip? Schedule heating hours remotely with IntelliCenter.

Stay with the party
No need to interrupt good times with friends and family to set the perfect mood.

Turn on water features to soothe the soul
Start a light show to bring pools and parties to life
Heat up the spa to rejuvenate the body

Heal your body, mind and soul.
EASY REMOTE CONTROL OR REMOTE ACCESS
