replacement cartridges

model	part number
W-100RC	555351-51

individual unit

model	part number
WTOS-100	152093

WARNING: Do not use with water that is microbiologically unsafe or of unknown quality without adequate filtration before or after the system.

CAUTION: Filter must be protected against freezing, which may cause cracking of the filter and water leakage.

NOTE: Contaminants or other substances removed or reduced by this water treatment device are not necessarily in your water.
