6000  
gallons

CAPACITY  
22,712 Litres

# COMMERCIAL-GRADE FILTRATION, WHEREVER YOU NEED IT.

The same commercial quality that makes Pentair<sup>®</sup> Everpure the overwhelming choice for water filtration in restaurants is also available anywhere in your home—**now without the need for extra faucets.** The EF-Series of full flow drinking water systems brings commercial-grade filtration anywhere in your home using our proprietary Fibredyne technology.

## FIBREDYNE<sup>®</sup> FILTRATION TECHNOLOGY

- Features wet molded fiber structure
- Reduces particles as small as 0.5 micron in size by mechanical means
- Holds more dirt than a standard carbon block
- Includes powdered carbon mix
